SCHOOL OR OLDER

The
Average
Household
Income

is \$34,000

OR LESS

“ This is the first year I have not been able to afford to get my daughter what she needed for school, and that is an absolute heartbreaking reality. It's been hard enough finding a job but to struggle in providing for my kids is the worst. My daughter and I made a promise to volunteer next year and even donate any supplies we can.

- Mom of School
Supply Drive Recipient ”
