We feel incredibly fortunate to be helped by United Way so that my daughter can go to child care and preschool at the YMCA of Cass and Clay Counties. As a working single mom and full-time student at Mstate in Moorhead, without the help, preschool would be out of reach for us financially. My daughter is bright and social and eager to learn.

I want my daughter to have the same opportunities in life as any other kid. I work hard every day towards creating a better life for us. Thanks to United Way, she will not be left behind. Thank you so much for all you do. I hope to be able to pay it forward one day.
