Why YOU should join us!

- Because we have fun while giving back and helping out our community!
- We make measurable impact in our community! We have over 740 members and together we invested over $430,000 in United Way of Cass-Clay last year!
- Make a new friend – you’re unifying with others in the community. This allows you an opportunity to join forces with like-minded individuals who are seeking the same goals as you; instantly creating a sense of camaraderie and new found friendships.
- Leadership development – give you an opportunity to develop your skills as a leader, and this is important not only for your personal growth but for your growth in your career.
- This all equals 11 months of free programming!

So you want to join the Emerging Leaders movement?

We would love to have you! There are just two things you need to do to join:

- Invest at least $300 annually in United Way’s 4 Bold Community Goals—when you break it down, that is less than $6 a week.
- Volunteer 8 hours of your time either through United Way led events or via your own volunteer endeavors
