HOW YOU CHANGED JAMIE’S LIFE

Just last year, Jamie was homeless and struggling with the ongoing emotional scars of a childhood and family torn apart by addiction. After being connected with a Workforce Development Case Manager made possible by United Way of Cass-Clay and CAPLP, she gained the support to complete Certified Nursing Assistant (CNA) training. Today, she works as a CNA at a senior living facility in our community. With a new job to support her family, Jamie moved into an apartment in Moorhead. She is so proud of the home she shares with her children and is looking forward to her youngest daughter starting kindergarten this year.

Thank you for helping Jamie and her family.
Help us change the lives of more children and families in our community.
