With your help, the United Way School Supply Drive will provide over 6,000 backpacks filled with supplies to K-12 students in need. This will help them be confident and prepared to succeed in school. Coordinating a mini drive at your workplace or while working remotely is a great opportunity to rally support for local students.

STEP 1
Visit unitedwaycassclay.org and download the List of School Supplies, School Supply Drive Donate Here poster, and Donation Inventory Sheet.

STEP 2
Put out posters and donation bins (any container will do!) in high traffic areas of your workplace.

Is your team still working remotely? No problem! We have a simple solution for you to run a drive! Start a challenge for your team to come together and collect supplies virtually by visiting this site to set up a Team Drive for your company or organization: https://www.roonga.com/uwccschoolsupplydrive

STEP 3
Encourage your coworkers and/or customers to donate. Here are some ideas:
- Send emails or communication inviting people to participate
- Post information on websites, social media or communication channels
- Share stats and stories about how the School Supply Drive helps local students

STEP 4
Organize and take inventory of the supplies collected on the Inventory Sheet.

STEP 5
Drop off your supplies and financial contributions at the FARGODOME no later than July 30 by 3 p.m.

STEP 6
Celebrate and thank those who contributed!

For details and a complete list of supplies needed visit unitedwaycassclay.org or email schoolsupplydrive@unitedwaycassclay.org.
