

# See your United Way investment in action!

Any United Way donor is invited to volunteer on a Community Investment Review Panel--WE NEED YOU.

United Way of Cass-Clay connects people to people, needs to resources, and experts to advocates to improve lives and advance the common good throughout Cass & Clay Counties.

## As a Community Investment Review Panel Volunteer Applicant, you commit to:

- Attend a 1.5 hour training session (Feb 2015)
- Spend 6-10 hours on your own reviewing applications of 2-3 programs seeking United Way funding (Feb & Mar 2015)
- Participate in a 1 day session (8 hours) touring agencies & discussing their impact with the review panel (Feb & Mar 2015)
- Entire volunteer commitment is completed by April 2015

## As a volunteer you have the opportunity to:

- Learn about a variety of agencies and programs in our community that make a difference with your donor dollars.
- Let your voice be heard and make recommendations to the Community Investment Committee about which programs should receive funding and at what level.
- Meet and network with other volunteer United Way donors.

*"Our community has a vast amount of need that can only be satisfied by our area non-profits. Serving as a Community Investment Review Panel volunteer and now a member on the Community Investment Committee has been an incredible opportunity and has allowed me to be actively engaged in investing donor dollars. It has shown me just how great of an impact United Way has on the needs of our community. "*
