ABOUT THE LIVE UNITED LEADER OF THE YEAR AWARD

The annual award is given to one organization to recognize outstanding commitment to United Way and an excellent workplace campaign.

Organizations of all sizes are welcome to apply. The winner will be selected based on campaign excellence, not size.

This award was previously known as the Frederick W. Donath Campaign Award of Excellence.

Blue Cross Blue Shield of North Dakota started with a three-pronged focus: to volunteer, to give and to share their support for United Way with enthusiasm. Their Annual 5K for United Way engaged more than 200 runners and raised over \$3,400, they increased individual donors over last year, and they had over 250 employees help 69 seniors on United Way's Annual Day of Caring. Thank you for believing in investing in our community!
