Why YOU should join us!

• You’ll have fun while giving back and helping out our community, with unique and exclusive volunteer opportunities available only to Emerging Leaders.
• You will maximize your measurable impact in our community. We have over 850 members and together we will invest well over $400,000 in our community this year!
• Make new connections and friends! You’ll join forces with community-minded individuals like you who have similar goals, instantly creating a sense of camaraderie and connection.
• Develop your leadership skills – deepen your skills as an impactful and fulfilled leader, connecting and learning from top leaders to help you grow professionally and personally.

So you want to join the Emerging Leaders movement?

We would love to have you! There are just two things you need to do to join:
• Invest at least $300 annually to United Way - when you break it down, that is less than $6 a week.
• Volunteer 8 hours of your time at your discretion, either through United Way led events or via your own volunteer endeavors.
